In addition to the regular ink set matching genuine color rendition, Veramax also offers the option to feed your equipment with newest Stylus Pro 4880/7880/9880 Vivid Magenta and Vivid Light Magenta inks. Product codes ending by VM or VLM will produce wider color space similar to Epson Stylus Pro 4880/7880/9880 printer series. All other part numbers correspond to OEM rendering and by the fact won't require re-profiling.

This product is not manufactured by EPSON, All trademarks are the property of their respective owners. Cartridges are remanufactured in USA. Veramax inks are made in USA.
